WPSBA's 5 New Directors

(Harrison, NY, August 26, 2022) The Westchester Putnam School Boards Association (WPSBA) is pleased to welcome five new members of our Board of Directors. As voted on at the Annual Meeting on June 9, 2022, three new Directors began a three-year term on July 1. Heidi Cambareri has served on the Somers CSD Board of Education since 2018. She adds the passion of an educator, a positive outlook on the future and a true understanding of the need for equity in education. Sarah Carrier has served on the Croton-Harmon UFSD since 2017. Sarah is an editor and research analyst who is committed to meeting the needs of all children. Deborah Taylor, a Board of Education member in Tarrytowns since 2020, is focused on the health and safety of students, and has a keen understanding of the need to be creative and flexible in our changing world.

On July 12, 2022, WPSBA's Board of Directors passed a resolution approving Corrinne Rosa and Sarah Tormey to fill two vacancies on the Board of Directors, for an interim year ending June 30, 2023. Corrinne has served on the school board in Valhalla since 2021. She brings a concentration on visibility and transparency and a strong interest in learning to WPSBA. Sarah Tormey has served on the Garrison Board of Education since 2019. Sarah is dedicated to clear communication and collaboration. Westchester Putnam School Boards Association is a regional, not-for-profit organization that serves school districts by supporting school board members through programs on current education issues, public policy and board governance, as well as public education advocacy, data resources, and networking opportunities.
