#### 4 New Members Join WPSBA Board of Directors

(Harrison, NY, July 16, 2024) The Westchester Putnam School Boards Association (WPSBA) is pleased to welcome four new members of our Board of Directors who come from districts across our region. As voted on at the Annual Meeting on June 3, 2024, three new Directors began a three-year term on July 1. Jane Anderson has served on the Rye City Board of Education since 2019. She adds the enthusiasm of an educator, a concern for student mental health challenges, and an understanding of the need to be responsive to the critically important work of school boards. Ben DiLullo has served on the Mahopac CSD Board of Education since 2020. Ben works for a major pharmaceutical company in contract development and project management. His goal as a school board member is to improve the students' educational academic experience and results within a safe and supportive environment. Danny Fung, a Board of Education member in Blind Brook-Rye since 2023, works in financial services and serves as a mentor to college students. He is passionate about the future of his district and wants to make a difference in public education in our region.

On July 16, 2024, WPSBA's Board of Directors passed a resolution approving Chris Valin to fill a vacancy on the Board of Directors, for an interim year ending June 30, 2025. Chris has served on the school board in Greenburg CSD since 2021. She brings a background in revenue management and an interest in working with academic experts to create a robust response to the obstacles created by the pandemic learning environment.

Westchester Putnam School Boards Association is a regional, not-for-profit organization that serves school districts by supporting school board members through programs on current education issues, public policy, and board governance, as well as public education advocacy, data resources, and networking opportunities. The WPSBA Board of Directors is made up of a maximum of 16 area Board of Education Trustees.
