

WPSBA RESOLUTION TEMPLATE: Safe School Measures Needed Now!

Whereas, the safety of all children in our schools is of paramount importance; and

Whereas the proposed 5% reduction to the current Federal education budget would include \$425 million in cuts to mental health and school safety programs, such as the School Emergency Response to Violence Program and Project Prevention Grants; and

Whereas seventeen students and staff members were killed and many others were injured as a result of a school shooting in Parkland, Florida on February 14, 2018; and

Whereas in the past five years, 439 students and staff members have been shot in more than 239 school shootings across our Country¹; and

Whereas a need for greater access to mental health services for students and families in our schools and communities was ranked as a top funding priority by the majority of Superintendents in New York State²; and

Whereas we believe that every child has the right to a safe school environment that has an appropriate level of security as determined by our community; and

Whereas a reasoned and rational approach to gun control and increased access to mental health services for students and families in our schools and communities are essential elements of a safe school environment; and

Whereas the _____ School District fosters civic discourse and promotes student understanding of government and current issues; and

Whereas a coordinated effort at the Federal and State levels, boosted by law enforcement and community engagement, is needed to change the paradigm and protect our communities and our schools;

NOW THEREFORE BE IT RESOLVED that:

The Board of Education of the _____ School District calls upon the New York State Assembly and New York State Senate to implement a reasoned and rational approach to address gun control and background checks, and prioritize funding and resources for increased access to mental health services for students and families in our schools and communities; and
